Telegram Came Late—Sam Anderson received a telegram Sunday conveying the sad news of his father's death at Valley, Kan. The message was sent on January 2 and was received too late to allow him to be present at the funeral.

Bitten By Dog—C. J. McElroy, the insurance man, is suffering from a very painful injury to his right hand, caused by a dog bite. Mrs. Laura Collier's canine is the animal that did the job.

Shipping Bricks—Briggs & Cottrell have contracted to furnish the Miami Copper company, with 30,000 bricks from their brick yard and have started shipping to the Alsford properties, which are being operated by the company.

Trial Jury Discharged—The territorial trial jury, which has been on duty since the middle of last November, has been discharged for the term, all of the jury cases having been tried, continued for the term or dismissed. There was a short session of court yesterday when an adjournment was taken until tomorrow.

Had Appendicitis—S. F. Sullenberger was taken to the Old Dominion hospital Sunday suffering with appendicitis and was operated on in the afternoon. He was reported last evening as getting along splendidly. Mr. Sullenberger was a member of the jury that tried Bob Daniels and it was during the last few days of the trial that he became indisposed. His many friends hope to see him out soon.

Couldn't Make It Stick—Lonnie Harris, colored, had Bill Green, the colored saloon keeper, arrested yesterday. He claimed Green had threatened him and wanted him placed under bonds to keep the peace. Several witnesses testified at the hearing in Justice Rawling's court yesterday afternoon, but the court held that the evidence was insufficient and dismissed the case.

Deputies Had a Job—Deputy Sheriffs Bob McMurray and Charley Edwards returned last evening from Phoenix, where they took Angel Salas and Frank Fisher, two insane men who were committed to the territorial asylum. The officers had a time with Salas on the entire trip over and did not get a wink of sleep. At Maricopa they deputized Fisher to help them subdue the insane Mexican.

Clerk's Union Growing—The members of the local clerk's union held an enthusiastic and largely attended meeting at Miners union hall last night. Nearly every clerk in the city is now in the organization and the union is meeting with increased favor by merchants generally. The next meeting will be one of great importance and a large turnout is expected.

It is very important and in fact it is absolutely necessary to health that we give relief to the stomach promptly at the first signs of trouble—which are belching of gas, nausea, sour stomach, headache, irritability and nervousness. These are warnings that the stomach has been mistreated; it is doing too much work and it is demanding help from you. Take something once in a while; especially after meals: something like KODOL for Dyspepsia and Indigestion. It will enable your stomach to do its work properly. Sold by Hanna's drug store, 228 Broad St.

Reflections of a Bachelor
Ideals generally go into the garret along with old love letters and photographs wearing clothes out of style. A man doesn't have to be nearly as good as he expects other people to be to justify his belief that he is surely going to heaven.—New York Press.

If a cough gets into your system it acts on every muscle and fibre of the body and makes you ache all over. It especially affects the intestines and makes you constipated, so in order to get rid of a cold thoroughly and without delay you should not take anything that will tend to constipate. Kennedy's Laxative Cough Syrup acts upon the bowels and thereby drives the cold out of the system. It contains no opiates—it is pleasant to take and is highly recommended for children. Sold by Hanna's drug store, 228 Broad St.
